

COVID-19 Catch Up Premium Website Information

Our **‘Emerging Stronger’** response to COVID-19 has been carefully and extensively planned. A key part of this response has been the creation of a detailed and focused **‘Accelerated Learning’** plan. The plan sets out our strategies to ensure that the COVID-19 interruption does not impact on students reaching their academic and personal potential. In the table below you can see a streamlined summary of our accelerated learning plan.

How will the grant be spent?	What?	Impact?
<p>National Tutoring Programme</p> <p>Year 5 with Pearson Tuition Programme - focused on individual and small group tuition</p>	<ul style="list-style-type: none"> ● 9 children Maths, 1 hour online sessions with tutor, and adult supervision to support the sessions. ● 9 children English, 1 hour online sessions with tutor, and adult supervision to support the sessions. ● To identify children for the tuition, data analysis and individual provision were analysed, identifying the impact of COVID lockdown on pupils: 	<ul style="list-style-type: none"> ● Pearson tutoring completed pre and post block assessments showed every child made progress. ● Spring Teacher Assessments showed an improving picture, with most areas back inline with last known national figures. <ul style="list-style-type: none"> ❖ Reading EXS+ 76% (24% GDS) ❖ Writing EXS+ 72% (17% GDS) ❖ Maths EXS+ 79% (31% GDS)
<p>Extended Academic Provision</p> <p>A programme of out of hours learning opportunities including Summer school, booster clubs, targeted support for maths and reading before and after school.</p>	<ul style="list-style-type: none"> ● 2 weeks of summer school. 1 week for Year 5 and 1 week for Year 2 (classes identified based upon attainment and progress data) ● Focusing on accelerating learning in core subjects in the morning: Maths, English Writing and Reading. Sporting excellence and wider curriculum in the afternoon (Art & DT). ● Lunchtime IXL and TTRS clubs have run in KS2. ● After school Sats clubs have run in KS2. 	<ul style="list-style-type: none"> ● Summer school was well attended by 41 children and engagement levels were high. ● Positive feedback from pupils and parents on the provision ● TTRS data shows that maths fluency in tables has increased ● Sats data showed an uplift in R,W,M and predicted positive progress for the end of year milestone. ● Phonics for 2021 were 93% showing that intervention had closed gaps.
